Larry Begley, Superintendent

Dear Volunteer:

Congratulations on your decision to serve as a volunteer for Russellville Independent Schools.

Our mission is “At Russellville Independent Schools, we are committed to insuring that all students achieve at their highest potential, all teachers teach with relevance and rigor, and all teachers establish meaningful relationships with students, parents, and the community—Every Child, Every Day.” To fulfill this mission, we must have a strong volunteer program.

We believe in the power of parent and community involvement and feel it is an essential part of an effective educational program. Volunteers strengthen the quality of school programs.

We appreciate the time you are giving and we want to thank you for caring about and investing in the lives of our students---our community’s future.

Sincerely,

Larry Begley,
Superintendent

Goals of the Volunteer Program

The goal of Russellville Independent School District's Volunteer Program is to enable citizens from the community to assist administrators, teachers, and other school personnel in helping young people fully develop their skills and potential as individuals. Trained, supervised volunteers assist school personnel to:

- Help teachers and other professional staff provide effective reinforcement activities, enrich the curriculum, and perform other tasks; and
- Strengthen school-community relations by increasing opportunities for communication, learning about school programs, and sharing time and talents with the school.

Guidelines for Volunteers

Supervision

For the safety and protection of our students, all volunteers must conduct their work under the direct supervision of a Russellville Independent School District employee who is supervising those students.

Confidentiality

As you work with staff and students, information of a confidential matter may be shared with you. Students' problems, abilities, relationships, or confidences should never be discussed with anyone. Teachers and volunteers are bound by a code of ethics to keep confidential matters within the school. Staff and students need to know they can trust you. Please do not discuss a child's school progress or difficulties with his or her parents. This is the teacher's responsibility. Occasionally, a child may confide in you about family matters or personal problems. Keep this confidential unless you feel the student's teacher or school counselor should have this information. Discuss any matters privately with the appropriate staff. *If the child shares with you any type of abuse, you are bound by law to share that information. First you must contact the principal and/or guidance counselor and then, with their assistance, contact the proper authorities.*

School Rules

Become familiar with the rules and policies of the school where you work. Ask your school volunteer coordinator or school principal to explain procedures for fire drills or any emergency.

Things to Avoid

The staff at the school is responsible for everything that goes on in your building. Volunteers supplement and support the system.

Volunteers do not:

- Provide curriculum or teaching plans
- Discipline students
- Have access to materials in students' permanent records
- Evaluate achievement
- Counsel students
- Interact with students unless there is a district or school employee present who is supervising those students.

Sign In and Out

Each volunteer must sign in and out, to help ensure a safe school environment and for record-keeping purposes. Please wear the nametag made available to you whenever you are volunteering in the school.

Dress Code

Volunteers should always dress appropriately for classroom or project activities. Remember you are a role model for our students. School specific dress code will be reviewed at the school's volunteer orientation.

An adult who wishes to volunteer at a school or school-sponsored activity where he/she will have: (1) contact with students on a regularly scheduled or continuing basis; or (2) supervisory responsibility for children at a school site or on a school-sponsored trip, shall complete a background check application form, which will be used for the state-mandated background records check. Applications may be obtained and returned to the school contact person. *{School employees wishing to volunteer or attend field trips with their child (ren) need to refer first to their employee background check policy}*

Processing

1. The volunteer's required information will be submitted to the Administrative Office of the Courts by district personnel.
2. After receipt of the processed records check from AOC, the District shall review the information provided based upon the following criteria:

Applicants with the following convictions **shall not be authorized** to volunteer:

- All sex-related offense convictions
- All offense convictions against minors
- All felony offense convictions against persons or property
- All alcohol violation convictions within two (2) years from date of check
- All drug-related offense convictions within four (4) years from date of check

4. Notification of volunteer status for each volunteer shall be made available to all principals. A current list of all volunteers shall be maintained by the school volunteer contacts.
5. An applicant who has questions regarding the status determination may contact the Principal for clarification.

District's Background Check Review Committee

The Superintendent shall appoint a committee of a minimum of three (3) school personnel to review the processed background checks from AOC.

Applicability

- Volunteer status is approved or disapproved for the entire District, not an individual school. Potential volunteers need only submit one (1) application, even if they intend to volunteer at more than one (1) school or school-sponsored activity.
