RUSSELLVILLE HIGH SCHOOL EMERGENCY ACTION PLAN

Russellville High school has a written emergency action plan that should be followed in the event of a medical emergency. All coaches, administrators and applicable parties should be familiar with this document and their role and responsibility in an emergency. Any question should be directed to the Athletic Director, Ryan Davenport or High School Principal Rex Booth.

An emergency is the need for Emergency Medical Services, (EMS) to give further medical attention or transport an athlete to the hospital. It is important in these situations that coordination between the coaches, administrators and first responders to be effective. This document is intended to delineate roles and outline the protocol to be followed should an emergency occur.

Situations when 911 should be called automatically are:

- An athlete or any person is not breathing
- An athlete or any person has lost consciousness
- If it is suspected that an athlete may have a neck or back injury
- An athlete has an open fracture
- Severe heat exhaustion or suspected heat stroke
- Severe bleeding that cannot be stopped

CHAIN OF COMMAND

Athletic Trainer – Heather Lindenberg

Administrator – Rex Booth

Athletic Director – Ryan Davenport

Assistant Administrators – Carlos Quarles

Student Resource Officer –

Head Coach - Specific for Sport

Assistant Coach - Specific for Sport

Other Athletes

The highest person in the chain of command who is present at the scene will be the designated person in charge. That person is responsible for deciding whether or not to call 911, instructing others how they may be of help and will be the person who stays with the athlete until the EMS arrives. Once it has been decided that EMS should be called, the following protocol should be followed:

RUSSELLVILLE HIGH SCHOOL EMERGENCY ACTION PLAN

1. The highest person on the chain of command will be deemed the leader and will stay with the athlete to monitor the athlete's condition and administer necessary first aid. If possible, someone else on the chain of command should also stay and assist. The front office or an administrator should be notified that there is an emergency situation on campus.
2. The highest person on the chain of command will make the call to EMS or will designate another person to make the call. (911 from a cell phone or pay phone, **MAKE SURE SOMEONE PRESENT AT THE EVENT, PRACTICE OR CONTEST HAS A WORKING CELL PHONE FOR EMERGENCIES**) EMS should be told what the emergency is, the condition of the athlete and how to get to where the athlete is. Also, tell EMS that someone will meet them at the closest intersection to aid in directing the ambulance. **DO NOT HANG UP UNTIL EMS HANGS UP FIRST.**
3. Phones at each school are located in the main office, classrooms or coach's office.
4. The leader will send runners between where the athlete is located and venue-specific location to direct the ambulance to the athlete. The runners should stay in their positions and wave the ambulance through the proper turns to get to the athlete.
5. The leader will designate another person to attempt contact with the athlete's parents. **Emergency Contact information can be found on individual athletes' physical which coaches should have with them at all times.** If a parent is not present, the physical form should accompany the athlete to the hospital.
6. If transport is deemed necessary by EMS, the athlete will be taken to **The Medical Center in Bowling Green, KY**, unless the parent requests otherwise.
7. In the event you are by yourself with a student athlete that needs EMS call 911 if you deem necessary and stay on the line with 911 operator or continue aid until EMS arrives.

Russellville High School is located at: 1101 W 9th St., Russellville, KY 42276

-Rhea Stadium (Football): 209 E. 9th St., Russellville, KY

-Baseball Field: Turn into the high school and drive past the buildings and you'll see the baseball field.

-Softball Field: Turn onto Herndon Rd, which is next to the high school. Follow the road until you see the parking lot with the softball field on the left.

-Football Practice Field: Behind the softball field.

-Indoor Facility: Turn onto Herndon Rd, which is next to the high school. Follow the road until you see the parking lot with the softball field on the left and baseball field on the right. Continue past the fields and you'll see a metal building on your left.

-Tennis Courts: Across from the indoor facility.

-Soccer/Track&Field: Behind the indoor facility.

RUSSELLVILLE HIGH SCHOOL CAMPUS AED UNIT LOCATIONS

1. Inside Main Gym doors to the right
2. Adjacent to the Middle School Gym entrance.

RUSSELLVILLE PORTABLE AED LOCATIONS

Portable AED will travel with football. Athletic Trainer carries one during soccer, softball/baseball and track&field. If Athletic Trainer isn't present, portable will be with the coach of the specific sport.
